Villains Of Gotham

By Mike Fisher -- DallasBasketball.com and DallasBlog.com

Welcome to our very own Gotham City -- Dallas -- where opportunities to ply their once-malevolent trades are many for some of sports's most troublesome 'villains.' Mike Fisher (with help from Stereolith) re-imagines or creates some notorious names in the Dallas news -- from reclamation projects getting workouts to championship-caliber success stories -- in 'Villains of Gotham': (clockwise from bottom left): Darius Miles as 'The Punisher' (his real nickname), Gerald Green as 'Cupcake' (our idea), Terrell Owens as 'Harvey T.O.-Face', Ron Artest as 'Tru Warrior', Adam Jones as 'Pacman', Josh Hamilton as 'The Natural', and in the center, Jerry 'The Joker' Jones.
