Fly Away with The Bridge |A Night In The Emerald City

Celebrating The Bridge Breast Network's 20 Years of Service

Kicks Off at the Marquee Grill & Bar

Joining event chairs Janie Morris and Hamilton A Sneed were

Lynn McBee, Dena Miller, Mrs. Highland Park 2012 and Dawn Neufeld of VH1's Football Wives

Fly Away with The Bridge - A Night In The Emerald City celebrating The Bridge Breast Network's 20 years of service in North Texas kicked off at the Marquee Grill & Bar at Highland Park Village with an evening beginning with cocktails and gourmet bites in the patio and bar and ending with guests shopping at Anne Fontaine, Q Custom Clothier and Stella McCartney, all donating a portion of their sales to The Bridge Breast Network.

As the champagne flowed, VeeV Açai Spirits were poured alongside delicious hors d'oeuvres prepared under the supervision of executive chef Tre Wilcox and the exciting news began. Event chairs Hamilton A Sneed and Janie Morris welcomed guests and reminded everyone that The Bridge Breast Network is a nonprofit organization whose mission is to save lives by providing access to diagnostic and treatment services for breast cancer to low income, uninsured and underinsured individuals, serving women and men in 16 counties in the DFW area.

History and Mission:.

In the past decade, The Bridge Breast Network has served over 100,000 North Texans and connected more than 10,000 with medical treatment. The Bridge Breast Network was founded in 1992 to serve as the link between uninsured and underinsured women and men and the life-saving care they so desperately need. Only through the help of volunteers and generous donations from the North Texas community is The Bridge Breast Network able to carry out this vital mission. Status or circumstance shouldn't be a factor in the fight against breast cancer. Cancer doesn't care whether a person is Asian or Caucasian, 16 or 60, insured or not. The care shouldn't discriminate either.

For every dollar donated, Bridge clients receive nearly 10 times that amount in medical care. Hundreds of physicians and medical facilities in the Metroplex have volunteered their professional services or drastically reduced their fees to make a large discount possible. Your tax-deductible donation goes toward lifesaving evaluations and treatment, such as biopsies, medication, and chemotherapy.
