Austin-based radio talk show host, Alex Jones, who frequently spouts odd conspiracy theories and sells so-called 'survival food' for militia troops, has announced a new alliance with the Black Panthers, a group that seeks to obtain 'Black Power' through violence if necessary. The InfoWars Website announced on its Home Page for Tuesday evening, that Alex Jones 'welcomes' his alliance with 'Larry Pinckney, a veteran of the Black Panther Party.' InfoWars receives sponsorship from Alex Jones to promote his radio show. Alex Jones spoke of the new alliance on his radio show. InforWars noted that Mr. Pinckney was the 'former Minister of Interior of the Republic of New Africa and author-activist.' To view the Home Page of InfoWars, link here: Tmcgregordallas@yahoo.com
