As the saying goes, it takes one to know one. Pravda, a Russian newspaper that captured worldwide recognition for supporting Communist regimes in Russia, has just announced that, "Obama is a Marxist." A Pravda commentator reports that, "I recognized President Obama as a Marxist and was determined to find a way to "spotlight" his true political leanings. The birth certificate issue seemed the easiest issue available so "I attacked it." Well, I had no idea that it would take nearly three million dollars to get to the truth of the issue. And I spent 3 long years trying to find the "weak link" in the chain to bring this birth certificate to "light." Pravda also added, "elect Obama … and say hello to: The United States of Socialist America." To read the entire article from Pravda, link here: Tmcgregordallas@yahoo.com
