Senior citizen pop singer Madonna has recently declared her support for President Barack Obama, because she claims he's a "black Muslim." Fox News reports that, "Madonna calls Obama a 'black Muslim,' says she'll strip onstage if he wins new term." During her concert in Washington D.C. on Monday, Madonna asked everyone in the audience to vote for President Obama because he is a "black Muslim." She said, "y'all better vote for f***ing Obama, Ok? For better or worse, all right? We have a black Muslim in the White House! Now that's some amazing s**t." According to Fox News, "Madonna, 54, also stripped down to her bra to reveal 'Obama' stenciled in big letters on her back, before promising (or warning?): 'When Obama is in the White House for a second term I'll take it off.'" Ironically, Fox News pointed out Madonna's error by saying that, "President Obama is not a Muslim." To read the entire article from fox News, link here: tmcgregordallas@yahoo.com
