This is the second year for the KickStart dinner and auction benefiting Chuck Norris' KickStart Foundation. Featuring Wynonna in a private concert, a live auction featuring a Harley Davidson motorcycle autographed for you by Chuck Norris, guitar autographed by Wynonna, performance by Dallas KickStart Team and more, this event is a wonderful way to thank clients and major corporate partners while rubbing elbows with Hollywood insiders. Lisa and Kenny Troutt are honorary chairs.

It's Saturday night at The Adolphus.
